

13th International Junior Academy – Summer School August 10 – 12, 2023 in Bonn / Germany

Welcome Note

The German and British Divisions welcome you to the 13th International Junior Academy Summer School to be held in the training center of the German Division of the IAP in Bonn, Germany virtually and in-person.

As always this annual Summer School is aimed primarily at young pathologists worldwide as well as for specialists for a re-entry.

Selected topics are discussed in depth by experts and participants are encouraged to fully participate in all the sessions and to meet and have discussions with the experts.

The chosen topics will include Liver Pathology, Gastrointestinal Pathology, Mesenchymal tumors of the gastrointestinal tract, Head & Neck, Hematopathology and Immunohistochemistry.

Participants are also encouraged to bring and present interesting cases on any of these topics which will then be discussed by all the attendees at the School.

The Summer School, unlike other Schools of Pathology, also provides the unique opportunity for participants to meet with other young pathologists from many countries and to exchange ideas.

Erhard Bierhoff, Professor and Chairman, President of the German Division of IAP
